Dear Working Group and CAC members,

Attached for your review, please find the following:

1. A 17-page comment response summary (plus attachment 1 to the summary) which was developed in response to input received as part of the public comment process.
2. A redline markup showing revisions made to the draft final report. Please note, due to the large file size associated with the Word version of the report redline, I am including it only as a PDF. For ease of reference, redline revisions occur only on pages 2-5, 9-10 (updated figure list only), 28, and 93-94 of the PDF.

As indicated in the meeting request for the June 23<sup>rd</sup> meeting (11 am to 12:30 pm Mountain time), I am requesting your input returned to me by email no later than June 19<sup>th</sup>.

Thank you for continuing to provide very valuable input to this process. We look forward to speaking with you on June 23<sup>rd</sup>.

Best regards,  
Dina
